**11. Gentlemen Drivers behaviour:** Taking part in the races is always a moment of great adrenaline, both for the additional danger, great concentration needed to handle the car and aim to make the best possible result.

We take this opportunity to recall that, in order to ensure fun and good atmosphere among all participants, the organization decided to apply the English rule of the three C's: No Contact - No Cheating - No Complaining (no contact between cars, no "Cheating" and "Bad Losing" in the form of formal protests or otherwise).

Please exercise extra caution in controlling your temper, both on and off the track, so that you do not ruin your race or the race of your teammates!

**12. Track Walk (Thursday):** It will be allowed from 5.30 pm to access the track, pending the confirmation that the track is free. The track walk can be done exclusively on foot or by pedal bike, other electric or fuel vehicles are not allowed.
